

PRODOTTO:

Tangram

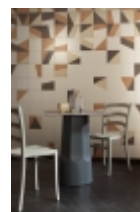

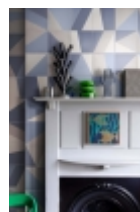

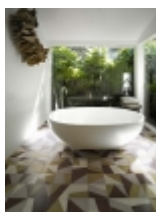

BRAND:

Ceramica Bardelli

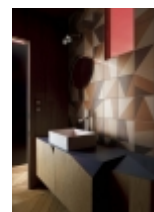

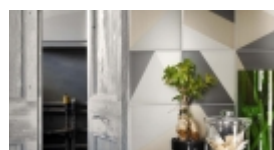

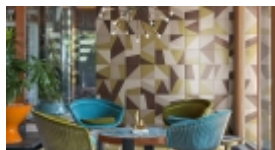

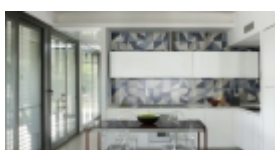

Cambiano le regole del gioco. Nessun rompicapo ci mette alla prova, nessuna misteriosa figura chiede di essere ricomposta.

Tangram disegna l'intrico delle sue diagonali senza pretendere il nostro contributo e la nostra complicità. Nessun teorema da risolvere, nessuna regola da rispettare. Niente altro che l'accostarsi e combinarsi casuale di forme geometriche che tagliano e ritmano gli spazi fino a trasformarli in modo curioso e impreveduto. Come un caleidoscopio che presa una piccola pausa nelle sue rotazioni, scelga di indugiare e dilatarla nel tempo, in un'infinita attesa degli eventi.
