### The company

Umbrosa NV is located in Roeselare-Beveren, Belgium, and from there, distributes the Umbrosa range to more than 40 countries. The Umbrosa products are developments produced under own management. The key points of the Umbrosa strategy contain Innovation, Communication and Provision of services.

### Our mission

We want people to enjoy the sun by enabling them to create shade in a beautiful yet simple way, shade which transforms their garde ot terrace into an attractive oasis of tranquillity and enjoyment.
