

Bonetto Rodolfo

1929 - 1991

Bonetto began his career as a design consultant for automobile manufacturers. He founded his own firm in 1958 and collaborated with Brionvega, Bilumen, Siemens, Autovox, valextra, Driade and Olivetti (since 1962). He received Compasso d'Oro awards in 1964, 1970 and 1979. His work includes the famous 'Sfericlock' for Borletti and the 'Quattroquarti' sectional table for Bernini.
