

**PRODUCTO:**  
La Menina (RE DECO)

**MARCA:**  
Lladró

The la menina figurine original was produced in a limited edition of 1000 and was a multicolored item with a typical lladro motif of a lady of the spanish court. the re-deco series piece is also produced in a limited edition of 1000. This was one of the most impressive introductions of the re-deco series. the size of the figurine (25.2" x 22.8") and the monochromatic effect places an emphasis on the quality of the piece- and the sheer beauty of the face in stark white is something to behold. ?originally produced in 1983 by jose puche.
