Minotti

Frame: curved multi-ply wood covered in polyurethane foam. Seat frame with elastic straps with a high rubber content and covered with saddle-hide in Mud, Black, Tobacco or Dark Brown. Frame covered entirely in saddle-hide with special handmade details.

Cushions: seat cushion padding in resilient high-density polyurethane foam, covered with channeled and quilted goose down which gives the seat the look and softness of a cushion.

Feet: metal feet, 40x40 mm, Black-Nickel finish and protective Hytrel® (soft scratchproof rubber) glides.

Cover: the seat cushion cover is available in fabric only and is completely removable.
