

PRODUCTO:
Pebble

MARCA:
Varaschin

The pebble of sea lives endless cycles of erosion and reaches a perfect three-dimensional shape. Add a value to it as the subject of a formal absolute cleanliness, enhanced by the elastic lycra coating. The variety of forms builds light organic compositions. Solutions plans and free backs also create a random and changeable approach, that distinguishes a product free for the great outdoors, and happy for indoor convertible. Collection of seats with rounded outline, made of materials designed for outdoors. Also available in Lycra, as well as our standard range of fabrics.
