

PRODUCTO:
808

MARCA:
Molteni&C

This extraordinarily versatile range of modular containers from the 808 line includes models in different heights and widths that can be fitted side-by-side or stacked one on top of another. The impeccable geometry of the shapes and construction detail is underlined by the variety of available finishes for the drawers, which can be lacquered gloss or matte, or covered with different wood essences: grey or dark oak, American walnut or wengé.
